

BUILT FOR THE MODERN OFFICE.

BENEFITS

- Tune out office noise and nearby conversations with noise-canceling microphone plus close conversation limiting.
- The freedom to roam and talk for a long time on a single charge means work gets done.
- You work on a range of devices – from PCs to mobile phones and desk phones. Savi 8400 Office Series headset systems have 3-way connectivity.

SAVI 8400 OFFICE SERIES

Ready for the modern office with an intuitive user interface on the universal base that can connect to almost any Savi headset¹. Ensure flexibility for users with the ability to connect from your computer, desk phone or mobile phone.

- Connects to computer, desk phone and mobile.
- Noise-canceling mic enhanced with Poly Acoustic Fence technology.
- Conference up to 4 headsets onto a single base.
- Everyone can move, multitask, and get more done with up to 13 hours of talk time on a single charge.
